

BUD Cabinet Racks and Enclosures

VALURACK CABINET RACKS

"Shipped Factory Direct"

- EIA-310 compliant for 19" panel width equipment
- Provisions for additional fully adjustable panel mounting rails
- Top accepts Bud #FN-1282 Exhaust Fan
- Suggested 700# equipment load capacity (higher when used with adjustable panel mounting rails for 4-point equipment mounting)
- Finish: Black Texture
- Sturdy welded-together construction
- One pair of integral full height panel mounting rails with EIA universal spaced mounting holes
- Panel mounting rails are located in the front of the cabinet and are recessed 1.00"
- Large 10.00" square hole in the bottom of the cabinet, along with 1.11" diameter knockouts for cable access
- Bottom of cabinet pierced for use with casters or levelers

Contact a Mouser Service Representative for other sizes, colors, and for modified versions.

Accessories:

- Uses most standard Bud accessories (all standard accessories when used with adjustable panel mounting rails)

PLASTIBOX™

NEW PRODUCT

Style F:

- Has squared corners and provisions for mounting horizontal and vertical PCBs
- UL94-HB flammability rating
- Temperature rating -40°C to +80°C
- Available in Black or Gray

Style M:

- Sleek, contemporary styling with rounded corners and edges
- Mar resistant textured surface
- Durable, self-extinguishing, ABS plastic material with UL94-V0 flammability rating
- Optional external mounting flanges in base
- Optional internal PCB mounting bosses in base
- Cover is securely attached to the base with four matched screws

Style H:

- Has rounded corners and edges and provisions for mounting horizontal PCBs
- UL94-5VA flammability rating
- Temperature rating: -20°C to +70°C
- Available with molded-in external wall mounting brackets
- Available in Black (other colors available upon request)

For quantities of 50 and up, call for quote.
